

EXT355 EXT4-355
13W Commercial Barrel Track Spot

GRC Lighting
R & C Agency International
Lighting Specialists for over 15 years

Description: Commercial grade track light. COB LED technology coupled with passive thermal management guarantees a long life span of fitting. Features 355° rotation and 180° tilt. Purpose made reflectors combined with optional attachments such as barn door, matte glass, black rim hood, and honeycomb allow flexible options in shaping light and creating supreme visual comfort.

LED Type: COB LED

Material: Aluminium

Optional Beam: 15° available on request
