Colour temperature switchable

Anti-Dazzle Light Head

Description: IP65 Square module head garden bollard. With die-cast aluminium body, providing long life time. In-built driver included. Easy to install. Anti-dazzle shielded light head with asymmetric light distribution. Creates sufficient illumination on the ground with visual effect. Perfect outdoor luminaire, great to install in private houses and gardens. Colour temperature switch-able between 3000K and 4000K.

Material: Die-Cast aluminium
