

**MOD006**  
**6W Eco-friendly LED Module**

**GRC Lighting**

*R & C Agency International*  
*Lighting Specialists for over 15 years*

**Description:** Eco-friendly LED technology along with energy saving and low maintenance cost. Specific thermal management guarantees a long lifespan. Precise optical technology creates smooth light distribution and high performance. Full range of color temperature and beam angle to build different atmospheres. Compatible with most fittings that take conventional halogen lamps. No UV or IR radiation. Symmetrical and smooth light distribution for highlighting artworks whether in museums, exhibitions, art galleries, showrooms, residences and commercial applications.

**LED Type:** COB

**Enclosable:** Yes

**Dimmable:** Yes, if used with Dimmable Driver

**Include Driver:** Yes
