

BARPTUB60

Small Tubular Diffused Pendant
Extrusion

GRC Lighting

R & C Agency International
Lighting Specialists for over 15 years

Description: 2.5m tubular diffused pendant extrusion, with small round diffuser for soft direct and indirect lighting. With the diffuser, light is evenly spread creating a calm and relaxing environment, perfect for studying or learning spaces. Extrusion can work as a pendant for over desk or bench top applications with the use of suspension kits. LED strip light not included. Optional kit available with red, green, blue, purple, orange light. Please enquire for quotation on kits.

Material: Aluminium profile with acrylic opal diffuser

Mounting Type: Surface mount / Suspended
