

LED328

IP65 12VDC Niche Light in
RGBW(3000K)

GRC Lighting

R & C Agency International
Lighting Specialists for over 15 years

Optional 90cm
Quick Connect leads for DIY

Description: 3W mini niche light with RGBW(3000k) output featuring an automotive grade aluminum construction. Suitable for wet area installations of up to IP65 rating. Requires transformer, and at minimum LEDRGBRE5IN1, which are sold separately. Hand remote available to control LEDRGBRE5IN1. Fitting comes with 200mm in and out leads, if hardwiring, ensure to seal all junctions up to ip68 standard or warranty is void. Ensure any open connectors are sealed (fitting is not supplied with caps for the input/output 5 terminal connectors). 5 core cables required for hardwiring. Aluminum construction may not be suitable for all outdoor installation environment scenarios. Not suitable for covering/abutting.

Working Temperature: -10 to 40°C

Optional Accessories: LED328RGBCON: 5 Core cable for connection (90cm)
LED328RGBEXT: 5 Core cable for extension (90cm)

IP
65
