

**LEDBTMR4WRGBCCT**  
 RGB+CCT 4W MR16 Lamp with Radio  
 Frequency Control

**GRC Lighting**

*R & C Agency International  
 Lighting Specialists for over 15 years*

**Description** RGB+CCT 4W MR16 Lamp with Radio Frequency Control. This lamp is not suitable for use in sealed fittings made of aluminium as it will in most cases totally block the radio signal from successfully transmitting. Surrounding with metal may also affect max signal distances. In clear conditions with no interference, the signal can potentially reach up to 30m.

**Dimmable:** Yes, via remote only

Item Code	Lamp Base	Wattage	Input	Lumen Output	CCT	Size D x L
